GRANDPARENTS  
fill the world  
with LOVE

Love one another.

We thank God for our Grandparents.  
Jesus taught us all to love one another.  
We think of the faith and love that our  
grandparents share with us. They share  
their lives and gifts and play a special  
part in how we learn and how we live.

God bless our Grandparents.

We love them very much.

# Catholic Schools' Week 2023

*-Communities of Faith & Resilience*

Pope Francis recognises the special connection between grandparents and their grandchildren

The theme to this year's Catholic Schools' Week is 'Communities of Faith & Resilience'. As Grandparents you have a special connection with your grandchild. You are a role model in faith for them. You help them to make good choices and decisions and show them how to be part of a community. Encourage your grandchild to follow the example of Jesus, by showing them how to be kind and treating others as they would like to be treated. You can teach them how to be resilient by helping them to get back up and keep going, when they find things tough. They learn so much from you.

## Grandparents

Lord Jesus, you were born of the Virgin Mary, the daughter of Saints Joachim and Anne. Look with love on grandparents the world over. Protect them! They are a source of enrichment for families, for the Church and for all of society. Support them! As they grow older, may they continue to be for their families strong pillars of gospel faith, guardian of noble domestic ideals and living treasures of sound religious traditions. Make them teachers of wisdom and courage, that they may pass on to future generations the fruits of their mature human and spiritual experience.

Amen.

Dear Grandparents,

You are invited to join us for mass in **Sacred heart Church on Friday 20 January at 10am**. This mass will be a lovely start to Catholic Schools' Week and our girls would be delighted if you came along!

Next **Thursday, 26 January** we are celebrating our grandparents in school. You are invited to visit your granddaughters in their classrooms at **11am** and find out what they are learning about in school. You can then listen to our wonderful school choir and enjoy a cuppa before you leave around 12.20pm.

All of our grandparents are welcome. We would love to see you there.
