Tuesday 24 March 2020

Dear Parent/Guardian,

Having followed procedures and risk assessments over the last week and in consultation with the Board of Governors, we have now been forced to close the school for all children from today, Tuesday 24 March until further notice.

We have tried over the past few days to provide a skeleton service for the girls of our community, whose parents are providing essential services at this very difficult time. However, we are unable to sustain the childcare service under current conditions and for this we apologise to the families who had hoped to use it.

The teachers are anxious for all of our pupils whilst they learn at home. Please access the online learning when you can and use the work packs that have been put together for use at home. If you have not accessed Seesaw please do, as this is where the majority of online learning will be posted.

If you wish to send a message or ask a question regarding home learning, please email your daughter's teacher. Put the teacher's name in the title of the email and send to info@ourladysgirlsprimary.belfast.ni.sch.uk

We already miss the buzz of the corridors and the classrooms. Life will be very difficult and very different for all of us for the next while. Please keep the families of the frontline workers and those who are ill in your prayers and most importantly, keep your children safe by staying at home.

On behalf of the staff at Deanby and the school Governors, we want to thank you for the support you have shown over the last while. We wish our families well. Keep safe.

Yours sincerely,

Emer Hughes
