

INFORMATION FOR AFTER THE SUMMER

We are planning that pupils in **ALL** year groups will come back to school during the week beginning **24 August 2020**. This will probably be done in groups. During this week we will explain to our pupils how life will change within school, but that our school will **STILL** be **LOTS OF FUN!!**

WELL-BEING

For the first few weeks of school our focus for our children will be on their **social and emotional well-being**. We are so aware that because they have been out of school since March, the impact on well-being will be significant. We have planned a recovery curriculum to include nurture activities which will comfort and reassure our pupils.

SCHOOL MEALS

Children can have meals in school from **24 August**. As families on Free School Meals are receiving summer payments until the end of August, **ALL** school meals will have to be paid for during this week (£2.60 each)

SCHOOL UNIFORM

We have relaxed our school uniform for this year only. They can wear ordinary uniform or navy/black leggings or joggers, a white polo top and a plain dark sweatshirt. Children should wear freshly-washed clothes every day. We hope this takes some pressure off you and will allow time for clothes to be washed.

POSITIVE LANGUAGE

We will be using only positive language with our girls. We will **NOT** use words like 'catch-up' or 'missed' work.

WE WISH ...

All of our families, a restful summer holiday. The staff at school cannot wait to see you all again. Keep safe over the summer!

WE WILL LET YOU KNOW...

as soon as we can in August, which days your child will attend school. If social distancing measures for children decrease, your child could be back every day.

HOME TO SCHOOL

Current advice from the Department of Education states that children should **NOT** bring school bags or other belongings with them to school. The only items permitted when we come back to school, are a coat and a packed lunch in a disposable bag.
